

Stay Clean, Stay Safe

Lessons from Influenzavirus A

Practice good hygiene

Stop hand shakes and use **non-contact greeting methods**

Clean hands at the door and schedule **regular hand washing** reminders

Disinfect surfaces like doorknobs, tables, and desks regularly

Avoid touching your face and cover your coughs and sneezes

Increase ventilation by opening windows or adjusting air conditioning

Limit meetings and non-essential travels

Use **video conferencing** instead of face-to-face meetings

When video calls are not possible, hold your meetings in **well-ventilated rooms and spaces**

Suspend all non-essential travels and trips

Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home

Sustainable Hygiene Solutions

- Use biodegradable detergents to reduce water pollution.
- Opt for refillable cleaning products instead of single-use plastic bottles.
- Encourage water-saving habits during cleaning routines.

Together, our clean habits protect our community.
